

Anam Cara Community Prayer

God of our journey,
we bless you for abiding with us throughout
our pilgrimage in this Anam Cara Community.

As we seek to know and love you more deeply
encounter us in our journey of silences,
of dry deserts and green pastures.
Enable us to be soul friends to each other,
and to be constant and courageous
seekers after you.

As Christ shared his life with others,
he always spent time alone with you.
May we grow to resemble him
our beloved friend, redeemer and guide.

May our Community grow and flourish
through your grace. **Amen**
